

## **Giving to IPS**

From 1 January 2008, donations to IPS can be considered for a double tax deduction where the Inland Revenue Authority of Singapore will deduct an amount equivalent to twice the value of your gift from your assessable income. For donors who give \$10,000 or more, they will be recognised as a Corporate Associate of the Institute and receive additional benefits as part of this select group of donors. Your contribution will also double in value as IPS can seek 1:1 Government Matching for the amount given. To find out more about how to give to IPS, please contact Ms Chang Li Lin, Public Affairs Manager at [Lilin.chang@nus.edu.sg](mailto:Lilin.chang@nus.edu.sg)
