

Education is expensive. Ignorance, more so.

(Which explains our generous scholarships.)

The Lee Kuan Yew School of Public Policy offers generous scholarships to outstanding candidates from anywhere in the world who combine academic and professional achievement with an interest in public service.

The School offers double Masters degree programmes with Columbia University's School of International and Public Affairs, the London School of Economics and Political Science, and Sciences Po, Paris.

If you're an aspiring leader and policymaker looking for globally recognised credentials, apply for a Master in Public Policy or Master in Public Administration and enquire about our generous scholarships by contacting:
